

California Climate & Agriculture Summit 2019 Sponsorship Opportunities

On March 4th and 5th, 2019, the California Climate and Agriculture Network (CalCAN) is hosting the 6th California Climate & Agriculture Summit (for more information: <http://calclimateag.org/calcan-summit/>).

Sponsors who make a commitment by November 15, 2018 will receive maximal exposure by being recognized in all early registration announcements and subsequent marketing materials.

The following sponsorship levels and benefits are available.
Return the form below by email to lauren@calclimateag.org OR submit it online here: <https://goo.gl/forms/Q5bxXPNyN79GdmGv2>.

Sponsorship Levels & Benefits

Harvester – \$5,000

- Primary listing on website as Harvester Sponsor
- Prominent acknowledgement on the event program
- Signage at the event
- Prominent recognition during the plenary session
- Logo on all event electronic communication
- One page/brochure handout materials distributed in participant packets (materials provided by sponsor)
- Two complimentary registrations to the conference and two for the farm tour

Pollinator – \$2,500

- Listing on website materials as Pollinator Sponsor
- Acknowledgement on the event program
- Signage at the event
- Recognition during the plenary session
- Logo on all event electronic communication
- Handout materials distributed at Publication Table
- Two complimentary registrations to the conference

Cultivator – \$1,000

- Listing on website materials as Cultivator Sponsor
- Acknowledgement on the event program
- Recognition during the plenary session
- Two complimentary registrations to the conference

10th Birthday Reception Sponsor – \$500

The Birthday Reception will take place after the full day of plenary sessions on March 5th. Sponsors will be recognized on all event materials, receive recognition on the website and have prominent recognition at the event.

Farm Tour Sponsor – \$500

We offer a farm tour the first day of the Summit. Farm tour sponsors will be recognized on all event electronic communications and event material, and written materials distributed at the tour. Sponsors will receive two complimentary registrations for the tour.

Scholarship Sponsor – \$250

Peer learning and networking opportunities are essential to upcoming farmers, ranchers and students. Your support at this level will underwrite three scholarships. Sponsors will be acknowledged on the event program and website.

In-Kind Donations

If your business, farm or organization would like to make an in-kind contribution, please contact us to discuss the options. We are glad to accept donations of wine, food and drinks for the afternoon snack and reception, and non-perishable items for speaker thank you gifts. Sponsors will be acknowledged on the event program and on the serving table (if applicable).

Becoming a Sponsor

Thank you for supporting the 6th California Climate & Agriculture Summit!
