2024 SUMMIT

8th California Climate and Agriculture Summit October 29 & 30, 2024 - UC Davis Conference Center

Please save the date for the 8th California Climate and Agriculture Summit, organized and hosted by the California Climate and Agriculture Network (CalCAN).

CalCAN's Summit will take place on October 29 and 30. On October 29, you can join a farm tour in the Yolo County area showcasing climate-friendly management practices. On October 30 at the UC Davis Conference Center there will be a full day of plenary, workshop and poster presentations ending with a networking reception.

The Summit explores the science, policy and practice of climate change and agriculture in California. Participants include farmers and ranchers, agricultural professionals, agency staff, policymakers and advocates.

Become a Sponsor of the 8th California Climate and Agriculture Summit

Sponsors who commit by August 30 will receive maximum exposure by being recognized in all early registration announcements and subsequent marketing materials.
